RESUBMISSION OF AN

STATEMENT UNDER 37 CFR §1.97 and
§1.98

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08B are being called to the attention of the Examiner. Copies of the references [in compliance with the requirements of 37 CFR §1.98(a)(2)] are enclosed. Although these references were previously cited in an Information Disclosure Statement filed on September 16, 2005, they have not been considered by the Examiner as the record shows that no copies of the cited references listed under the Non Publication Literature Document list (Form PTO/SB/08B) were received by the USPTO. It is respectfully requested that the cited references be expressly considered, and that the references be made of record herein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

The listed references were previously cited in the Information Disclosure Statement filed September 16, 2005. As a Notice of Allowance has been received, and a Request for Continued Examination (RCE) accompanies this Information Disclosure Statement, Applicants believe that no fee is required for re-submission of this statement (other than the RCE fee). However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
